

Piramal Pharmaceutical Development Services Pvt. Ltd, Ahmedabad gets EU GMP Certificate

Ahmedabad, India Jan 24, 2013: PPDS, Ahmedabad is formally certified as an EU GMP compliant site by Medical Products Agency (MPA), Sweden for manufacturing and packaging of Investigational Medicinal Products (IMPs). The audit was held in October, 2012. Subsequently the audit responses sent to the agency were reviewed and accepted by the agency without further queries in February, 2013.

The facility reached a significant milestone in October, 2012 when Medical Products Agency (MPA), Sweden audited the facility and approved as an 'EU GMP compliant facility'. This is a significant accomplishment considering the fact that the facility caters mainly to USA & EU markets. It is expected to boost the business development.

The EU GMP journey at PPDS started right from design stage in 2008 under the leadership of Corporate Quality Assurance. The facility was envisioned to be a world class clinical manufacturing facility. Every aspect of the facility was designed, built, tested and qualified as per international GMP requirements. The facility has so far successfully undergone about 20 audits by leading Pharma companies from across the globe.
